This publication has been drawn up by a group of experienced specialists working in an honorary capacity and its consideration is recommended. The user should always check to what extent the contents are applicable to his particular case and whether the version on hand is still valid. No liability can be accepted by the DVS – German Welding Society and those participating in the drawing up of the document.

This text is aimed equally at men and women. However, to improve readability, the text does not use the masculine/feminine form throughout and only the masculine form is used.
