Technical Code DVS 0700

Prerequisites for the acquisition of the authorisation to issue in-house welder and/or operator qualification test certificates as a manufacturer

DVS, Technical Committee, Working Group "Qualification requirements for welding
and allied processes personnel"

This publication has been drawn up by a group of experienced specialists working in an honorary capacity and its consideration as an important source of information is recommended. The user should always check to what extent the contents are applicable to his particular case and whether the version on hand is still valid. No liability can be accepted by the Deutscher Verband für Schweißen und verwandte Verfahren e.V., and those participating in the drawing up of the document
