

Technical Bulletin DVS 0945-1

Testing of welded wear-resistant depositions

Abrasive wear

Technical Committee of the DVS

Working Group V 2 "Arc Welding"

Sub-Group V 2.7 "Welding with tubular cored wires"

This publication has been drawn up by a group of experienced specialists working in an honorary capacity and its consideration is recommended. The user should always check to what extent the contents are applicable to his particular case and whether the version on hand is still valid. No liability can be accepted by the DVS – Deutscher Verband für Schweißen und verwandte Verfahren e.V., and those participating in the drawing up of the document.
